Parents may leave school together with the teachers and children at 9.15am. When they get to the park, the children must go and sit with their teachers and teams and parents must stay on the sidelines to watch and cheer them on! Please do not go to your child until the end of all the races.

Parents must take their children home directly from the park. If you are unable to do so, you must inform the Class teacher and leave the name of the person who will accompany them home. School will close at 12 noon.

We would like to thank the parents, pupils, ex-pupils and friends who helped before the fair, ran the stalls, the barbecue, face painting, and helped to clear up afterwards. A special thanks goes to all the families who donated wonderful prizes for the raffle. We would also like to thank all the people who made and donated cakes and biscuits. A special thank you to you all for your generous donations to make the wonderful baskets. They were so plentiful that we were able to make more than one basket for some classes.
